

## **Instruction**

### **Sterling Alternative Program (Pathways Academy)**

The District provides an Alternative Program for students in grades 9-12. The program has been established to meet the needs of students who have been unable to adjust to the regular school program or who, for extenuating circumstances, need an alternative environment.

The Sterling High School Alternative Program provides students the opportunity to acquire credits toward graduation. Graduation requirements from this program are the same as the State of Illinois minimum requirements for graduation.
